THE COMPANY

Who We Are

Sri Vasavi Interiors and Exteriors is a Bengaluru-based team of specialists across design, construction, technology and supply. Since 2017 we have brought an innovative format of construction and interiors to clients at competitive prices — growing from a small, ground-up studio into a complete, single-source solutions provider.

Workplaces and living spaces have changed dramatically. We partner with our clients to create new, innovative environments that meet their needs — using environmentally friendly materials and practices, and the discipline of a well-run firm. We are proud of our team and look forward to a long and exciting future, growing together with the people we serve.

WHAT WE CAN DO FOR YOU

One Company. Every Discipline.

Instead of juggling multiple suppliers and tradespeople, you work with a single source. We have the capability to take your project seamlessly from first consultation to final completion — hassle-free.

01

DESIGN & INTERIORS

Design & Quality Management

Exceptional guidance and superior property quality — premium residential and commercial interiors, dampness proofing with epoxy products, and flawless exterior finishes, backed by architects, civil engineers and design consultants on every project.

02

CONSTRUCTION

Construction Management

High-quality, cost-effective construction for all sectors. Pre-construction planning, competitive bids, rigorous site supervision and milestone-based delivery — on time, as promised, with post-construction quality audits and handover documentation.

03

IT INFRASTRUCTURE & HR

Technology & Consultancy

Internal and external IT audits with a focus on information security and GDPR compliance, plus human-resource consultancy and financial services — ensuring SVIE operates with the precision and integrity of a well-run technology firm.

CERTIFIED QUALITY STANDARDS

Quality Is Our Quiet Obsession

Every element of a project — soil compaction, concrete vigour, welding and more — is checked or tested to recognised standards. Quality is managed through two disciplines working together: **Quality Control (QC)**, defining how requirements are met, and **Quality Assurance (QA)**, defining the steps we take to verify them. Reviews continue right up to final completion, so what we hand over genuinely meets the standard set out in the project documents.

Mission

To prepare the best projects with integrity, craftsmanship and quality — contributing economically viable concepts to both commercial and residential work.

Vision

To be among the best and most competitive interiors companies in India, recognised for innovative design philosophy and a commitment to sustainable practices.

Quality Policy

To deliver high-quality products and manage projects excellently, meeting every customer requirement — with third-party quality assurance through QCI.

Environment & Safety

Eco-friendly products and practices, sound health-and-safety standards, and total quality management driven by genuine customer satisfaction.

ACCREDITATIONS & MEMBERSHIPS

ISO · QCI · CREDAI · MSME · KASSIA · FKCCI

Accreditations don't come easily. We put real work into attaining and maintaining the standards you see here — and we are proud to demonstrate the high benchmarks we set, achieve and adhere to on every engagement.

WE DEAL WITH

Everything, Under One Roof

We work with top global brands — ISO-certified for standard, quality and trust — bringing an entire range together under the SVIE name. From floor to ceiling (literally), we supply everything you need for your home and workplace interiors and exteriors, and we help you understand each product: its quality, its life cycle, and the best choice for your space.

i **FLOORING & TILES**
Premium tiles from Kajaria, Johnson and imported European collections.

ii **SANITARYWARE**
Jaquar and Grohe — world-class bathrooms and plumbing fixtures.

iii **PAINTS & FINISHES**
Asian Paints and Dr. Fixit for walls that last a lifetime.

iv **PLYWOOD & LAMINATES**
National Plywood, Kitply and Fevicol for superior woodwork.

v **HARDWARE & FITTINGS**
Hafele, Hettich and Ebco — precision hardware for every detail.

vi **LIGHTING**
Syska and Philips LED solutions for every mood and space.

vii **GLASS & GLAZING**
Saint-Gobain glass for modern facades and interiors.

viii **STRUCTURAL MATERIALS**
UltraTech, Birla Super, Tata Tiscon and SK TMT for solid foundations.

SELECTED BRAND PARTNERS

Kajaria · Fevicol · Dr. Fixit · Saint-Gobain · Birla White · PHILIPS · HD · BASF · DUROFLEX · Sleepwell

35+
GLOBAL BRANDS

OUR PROMISE ON EVERY PRODUCT

All supplies and projects use **only ISO-certified products**. We share a deep commitment to quality, environmental responsibility, and health & safety — and we help you choose the best, longest-lasting option for your home or office, every time.

A UNIT OF SVIE

Green Nest

Modular Furniture · Crafted in India, built to last a lifetime

Established in 2017, Green Nest has become a trusted name in modular home and office furniture manufacturing in Bengaluru. We specialise in fully customised product development with complete customer satisfaction, using ISO-certified eco-friendly materials and state-of-the-art quality measures. Every piece combines functional design with environmental responsibility — manufactured using ZED (Zero Defect Zero Effect) technology for energy-efficient production that meets global standards.

Several	7	100%	ZED

OUR TEAM

A Small Team, A Personal Service

We are a small, dedicated team — and that is exactly why you get such a personal service with SVIE. From design and quality management to construction, IT infrastructure and HR, our leaders bring complementary expertise to every project we take on.

KBM

Kiran B M

FOUNDER DIRECTOR & CEO

The visionary founder of SVIE, Kiran brings deep expertise in interior design and construction management. His philosophy centres on creating spaces that marry aesthetic beauty with structural integrity. He leads the company's creative direction, client relationships and operational excellence — ensuring every project carries the SVIE hallmark of quality.

ANM

Akshata N M

PARTNER · IT CONSULTANT & HR SERVICES

Akshata brings strategic depth through her expertise in IT infrastructure and human-resource management. She oversees GDPR-compliant IT audits, information security and organisational development — ensuring SVIE not only builds beautiful spaces but operates with the precision and integrity of a well-run technology firm.

"Work performed with higher knowledge or skill, capacity or ambition, usually brings a correspondingly higher reward."

HOW WE WORK

From First Idea to Final Handover

01

CONSULTATION

We listen to your requirements, understand your lifestyle, and define scope and budget together.

02

DESIGN & PLAN

Architects and designers create detailed plans, 3D renders and material selections for your approval.

03

EXECUTION

Expert craftsmen bring the design to life with rigorous quality checks at every stage.

04

HANDOVER

We deliver your space on time, with a final walkthrough and post-handover support included.

WHY CHOOSE SVIE

ISO-CERTIFIED QUALITY STANDARDS

Rigorous QA/QC management with third-party inspections by organisations like QCI, so every project meets global benchmarks.

ZED TECHNOLOGY MANUFACTURING

Zero Defect Zero Effect — energy-efficient CNC manufacturing that meets global standards with eco-friendly materials.

ON-TIME DELIVERY COMMITMENT

Oversight from architects, civil engineers and consultants ensures every project is delivered on schedule, as promised.

COMPETITIVE PRICING

Premium quality without premium prices — high-value results with transparent, competitive costing.

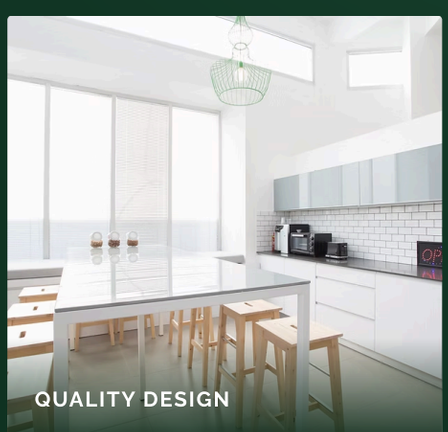

"Your dream space is one conversation away."

Schedule a free consultation — we listen, plan, and craft a space that is truly yours.
